2018 Peace in the Streets Global Film Festival

Dear Filmmakers,

It is with great delight we advise you that you have been awarded First Place in the Peacemaker Corps 2018 14-18 age category Peace in the Streets Global Film Festival!

Your film, Social Labels, was reviewed and selected by a renowned, experienced and impressive Jury – and you deserve to be very proud of your efforts!

Our PSGFF 2018 Awards Presentation Luncheon will be held on November 8th in New York City at the United Nations Delegates Dining Room. We invite you to join us, receive your award and experience the UN. In addition, all are welcome to attend an exciting program on the morning of the 9th at the studio of a high-profile media company. Full agenda details will be sent.

As part of your award we provide a ticket to the Luncheon for you and one parent or chaperone. As necessary, lodgings on the 7th and 8th for you and one parent or chaperone will be arranged. Unfortunately, Peacemaker Corps/PSGFF cannot cover the cost of travel, therefore individual travel arrangements should be made separately. If you require a special invitation letter to obtain a visa, please send us the required information so that we can get all back to you in the needed time.

We are so pleased you made the effort to share your vision and voice on what Peace in the Streets means to you!

We welcome you into the Peacemaker Champions family! Please know that the Peace in the Streets Global Film Festival has become an internationally known annual film festival. We look forward to your video for the 2019 festival. Please tell your friends to submit their films.!

Bravo!
